

Introducing Servi Plus

Delivering food, savings, and smiles

When facing staffing gaps, turnover, and frequent call-outs, Senior Living communities and other healthcare organizations are now hiring Servi Plus to help fill open Server positions, enhance resident engagement in dining rooms, and save an estimated \$40,000 in annual labor costs*.

Servi Plus helps position your community as a destination for modern, elevated dining experiences – a differentiator that showcases service and engagement as top priorities.
