## Swaps for the Great Egg-flation

The 2025 bird flu outbreak across the United States is creating a shortage of farm fresh eggs for restaurants, and egg prices are estimated to increase about 20% this year, according to the Department of Agriculture's price outlook.

Instead of overspending on eggs and having to raise menu prices for guests, here are some ideas to swap out traditional egg-centric dishes with these alternatives:

EGG DISH	SWAP WITH
Deviled Eggs >	<b>Jalapeno Popper</b> Sausage-Stuffed Mushrooms <small>MIN 10448</small>
Quiche >	Leek and Potato Galette
Eggs Benedict >	Open-Faced <b>Black Pepper</b> Biscuits and Maple-Glazed Pork Belly Smothered in <b>Garlic Junkie</b> Gravy <small>MIN 10163</small>
Frittata >	<b>Greek Freak</b> Chili Crisp and Basil Roasted Tofu <small>MIN 10203</small>
