

J2 | MEDICAL
SUPPLY

MASKS AND FACIAL PROTECTION

PRODUCT CATALOG

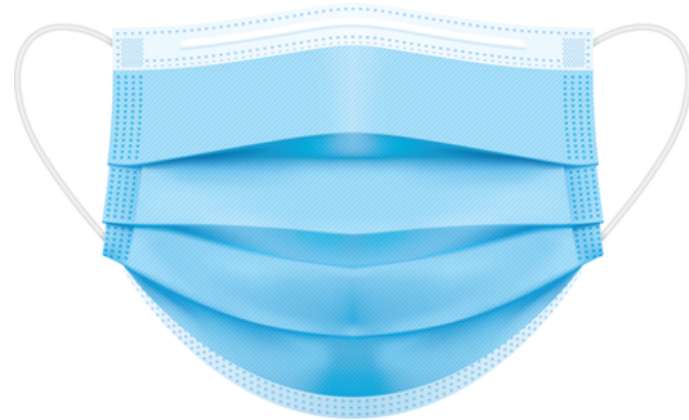

3-Ply Face Masks, ASTM Level 3 manufactured by J2 Medical Supply

SKU #: J23PLWINC

Box/Case Count: 50 units per box | 10 boxes per case | 500 units per case

Minimum Order Quantity: 1 case

- Fluid resistant @ 160 mm Hg
- <6.0 mm H₂O/cm² differential pressure
- >98% bacterial filtration efficient
- >98% sub-micron particulates filtration efficient
- Class 1 -normal flammability
- Product Color: Blue
- Product must be ordered in full case increments

3-Ply Surgical Masks, ASTM Level 3 - (With Ties)

SKU #: J23PSM01C

Box/Case Count: 100 units per box | 10 boxes per case | 1,000 units per case

Minimum Order Quantity: 1 case

- Fluid resistant @ 160 mm Hg
- <6.0 mm H₂O/cm² differential pressure
- >98% bacterial filtration efficient
- >98% sub-micron particulates filtration efficient
- Class 1 - normal flammability
- Product Color: Blue
- Product must be ordered in full case increments

PRODUCT CATALOG

3-Ply Face Masks, ASTM Level 3 manufactured by J2 Medical Supply

SKU #: J2100098C

Box/Case Count: 50 units per box | 10 boxes per case | 500 units per case

Minimum Order Quantity: 1 case

- Fluid resistant @ 160 mm Hg
- <6.0 mm H₂O/cm² differential pressure
- >98% bacterial filtration efficient
- >98% sub-micron particulates filtration efficient
- Class 1 -normal flammability
- Product Color: White
- Product must be ordered in full case increments

3-Ply Face Masks, ASTM Level 3 manufactured by J2 Medical Supply

SKU #: J2100099C

Box/Case Count: 50 units per box | 10 boxes per case | 500 units per case

Minimum Order Quantity: 1 case

- Fluid resistant @ 160 mm Hg
- <6.0 mm H₂O/cm² differential pressure
- >98% bacterial filtration efficient
- >98% sub-micron particulates filtration efficient
- Class 1 -normal flammability
- Product Color: Yellow
- Product must be ordered in full case increments

PRODUCT CATALOG

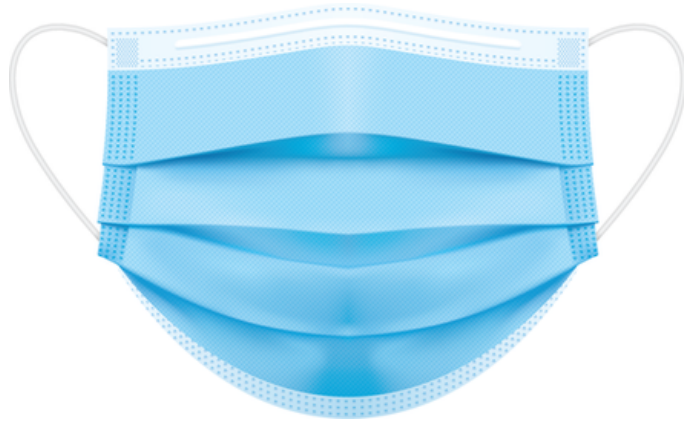

3-Ply Face Masks, ASTM Level 3, Fog Free, manufactured by J2 Medical Supply

SKU #: J2100102C

Box/Case Count: 50 units per box | 10 boxes per case | 500 units per case

Minimum Order Quantity: 1 case

- Fluid resistant @ 160 mm Hg
- <6.0 mm H₂O/cm² differential pressure
- >98% bacterial filtration efficient
- >98% sub-micron particulates filtration efficient
- Class 1 -normal flammability
- Product Color: Blue
- Product must be ordered in full case increments

3-Ply Face Masks, Child Size, ASTM Level 1 manufactured by J2 Medical Supply

SKU #: J2100100C

Box/Case Count: 500 units per case

Minimum Order Quantity: 1 case

- Fluid resistant @ 160 mm Hg
- <6.0 mm H₂O/cm² differential pressure
- >98% bacterial filtration efficient
- >98% sub-micron particulates filtration efficient
- Class 1 - normal flammability
- Product Color: Blue
- Product must be ordered in full case increments

PRODUCT CATALOG

Face Shields

SKU #: J2FSMG01C

Box/Case Count: 12 units per pack | 20 packs per case | 240 units per case

Minimum Order Quantity: 1 case

- Anti-Fog Protection
- Foam for forehead
- 7mm polyester film
- Elastic band
- Full Length
- Can be worn with or without glasses
- Latex free
- 7.2oz
- Product must be ordered in full case increments
